Name: Glove Hercule	Code: 11953	Cut Protection Dytex Fibre
----------------------------	--------------------	-----------------------------------

Description

Glove made of high tenacity Dytex knit with special fibres.
Finish: nitrile coating.
Cuff: elastic knit.

It ensures excellent fit, sensitivity and precision. The elastic cuffs ensure a perfect fit. It can be worn as a glove liner.

- Excellent grip and sensitivity.
- High cut and perforation resistance.
- Suitable for use with moderate oil and grease substances.
- Great comfort thanks to the complete absence of seams and to the high breathability properties.
- Wide availability with high performance levels.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC.
It is classified as PPE Cat. II.
