<b>Name: Glove Dytex Steel</b>	<b>Code: 11970</b>	<b>Cut Protection Dytex Fibre</b>
--------------------------------	--------------------	-----------------------------------

### Description

Glove made of Dytex knit with steel fibres.  
Cuff: elastic knit.

It ensures excellent fit, sensitivity and precision. The elastic cuffs ensure a perfect fit. It can be worn as a glove liner.

- Excellent grip and sensitivity.
- High cut and perforation resistance.
- Suitable for use with moderate oil and grease substances.
- Great comfort thanks to the complete absence of seams and to the high breathability properties.
- Wide availability with high performance levels.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC.  
It is classified as PPE Cat. II.
