Name: Nitral Ankle High Shoe	Code: 25006	Nitral Series
-------------------------------------	--------------------	----------------------

Description

Ankle boot with 200 joule steel toecap and Zero Penetration composite midsole. Quick removal. Nubuck leather upper with "Crazy Horse" treatment.

PU and anti-heat nitrile rubber outsole.

Rubber overcap.

EVA SOFT 3 MM INSOLES, with anti-weariness properties; interchangeable, ensuring continued hygiene and cleanliness.

DRY-PLUS polyester lining offering superb absorbing properties prevents feet overheating.

Main features:

- Anti-cold lining
- Anti-liquids coating
- Quick sliding lace holes
- Rubber overcap
- Lowered cleats section prevents accumulation of material
- Ergonomic heel angle
- Upper with separated pieces assembled together to enhance flexibility
- Anti-twist device
- Open angles to release accumulation of impurities
- Anti-slip outsole, wide contact surface with the ground to increase drainage of liquids
- Nitrile rubber oil and hydrocarbons resistant outsole
- Anti-slip ribbing
- Heel shape provides stability on ladder rungs

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN ISO 20345. It is classified as PPE Cat. II.
