<b>Name: Opera Quark Bib-Trousers</b>	<b>Code: 34164</b>	<b>Opera Quark Low Temperatures</b>
---------------------------------------	--------------------	-------------------------------------

### Description

Bib-trousers specific for cold store operators, suitable if worn in combination with the jacket, for working in low temperatures down to -45°C. Outer fabric in 420D Oxford nylon and padding in Thinsulate 3M, 150 g/ m<sup>2</sup>. With concealed zipper closure with flap and snap buttons, front waist with outline in comfortable knitted fabric, two front pockets with flaps and Velcro, adjustable elastic shoulder straps with quick-fastening buckle. High rear-bib, rear elastic waistband, back pocket with Velcro, concealed zipper closure with flap and Velcro on the bottom of legs, reflective bands on legs, reflective piping on pockets' outline.

- The Opera Quark series guarantees thermal protection down to -45°.
- The very thin thickness ensures lightness and softness allowing its use without limiting dynamism and comfort.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN 342. It is classified as PPE Cat. II.
