Name: Velvet Color Trousers	Code: 34933VG	Winter High Visibility Color
------------------------------------	----------------------	-------------------------------------

Description

High visibility trousers made of fluorescent yellow Velvet fustian fabric 60% cotton and 40% polyester, weight 350 g/m², with zipper and button closure, two slanted side pockets, tridimensional functional pocket with flap and Velcro with left pen holder, ruler pocket on right leg, rear pocket with flap and button. Jointed double stitching in the most vulnerable areas. Top part in high visibility yellow and bottom part of the legs, belt and pocket flaps in blue.
Two loops of reflective bands around the legs.

- The Velvet range offers high visibility requirements and guarantees cold resistance and insulation.
- Fabric with double inner plush lining.
- The compact fabric retains body heat and its surface enhances the ability to repel liquid and dirt.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN 20471 for high visibility clothing.

It is classified as PPE Cat. II.

EN 20471
