Name: Velvet Coverall Code: 34985 Winter High Visibility

## Description

High visibility coverall made of fluorescent Velvet fustian fabric 60% cotton and 40% polyester, weight 350 g/m², with shirt collar, concealed two-way zipper closure, two side pockets and one chest pocket with zipper closure, right ruler pocket, rear elastic waistband; jointed double stitching. Il features two loops of reflective bands around chest, sleeves and legs.

- The Velvet range offers high visibility requirements and guarantees cold resistance and insulation.
- Fabric with double inner plush lining.
- The compact fabric retains body heat and its surface enhances the ability to repel liquid and dirt.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN 20471 for high visibility clothing.

It is classified as PPE Cat. II.

## EN 20471
