

Name: Velvet Bib-Trousers	Code: 34988	Winter High Visibility
----------------------------------	--------------------	-------------------------------

Description

High visibility bib-trousers made of fluorescent Velvet fustian fabric 60% cotton and 40% polyester, weight 350 g/m². It features an elastic shoulder straps with quick-fastening buckle, concealed zipper pocket on the bib, adjustable waistband with buttons, rear-bib, right ruler pocket, two reinforced side pockets and rear pocket; jointed double stitching. One loop of reflective band around the waist and two loops around the legs.

- The Velvet range offers high visibility requirements and guarantees cold resistance and insulation.
- Fabric with double inner plush lining.
- The compact fabric retains body heat and its surface enhances the ability to repel liquid and dirt.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN 20471 for high visibility clothing.

It is classified as PPE Cat. II.
