Name: Microlines Poly Overpants	Code: 35217	Microlines
--	--------------------	-------------------

Description

Overpants with antistatic, flame retardant, acid resistant and high visibility properties; breathable and waterproof fabric. Made of 99% polyester 1% conductive fibre; inner lining in 100% cotton, and internal padding in 100% polyester with flame resistant treatment. With side welt pockets, front closure with button and zip, elastic on sides, back pocket with flap and Velcro, double reflective band on the legs.

- The Microlines Poly series, which is Fire retardant and antistatic, responds to the requirements of high visibility and resistance to chemical substances; it protects the operator from accidental contact with minor flames.
- Also protects against low temperatures thanks to the fabric structure and its padding.
- Microlines Poly: new protection from electric arc.

In combination with overpants it is possible to wear our under garments: Carboflame undershirt art. 35285 and Carboflame underpants art. 35286, meeting the point A.2 of IEC 61482-2 which is stating that the electric arc protective clothing shall be used with under garments made of materials that would not melt with the arc.

The product is designed and manufactured according to the Directive 89/686/EEC.
It is classified as PPE Cat.II.

Category II	Colours Hi Vis. Yellow - Blue	Available Sizes S-3XL
Quantity/Carton 20	Important Information Keep in a cool dry place, far from heat sources and direct light. Make sure the garment is in good condition, undamaged and clean before use.
