Name: Foco Clear Visor	Code: 39022	Helmets' Shields - Scott
-------------------------------	--------------------	---------------------------------

Description

Face shield in polycarbonate, attachable to helmet through an adapter. Its ergonomic shape, large size and considerable thickness make it ideal for protection against heat and large-size solid bodies. It also protects the temples and neck area.
Height 25 cm.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 166 and EN 171.
It is classified as PPE Cat. II.

Category II	Colours	Available Sizes Unica
Quantity/Carton 10	Important Information Make sure the face shield is in good condition, undamaged before use. Once you become aware of a damage, you should immediately replace it.	Recommended for
Dexterity	EC Standards EN 166 CE Values:3, 9 Resistenza all'impatto:B Classe ottica :1	Storage and cleaning Keep in a cool dry place, far from heat sources and direct light. Clean on a regular basis using a neutral detergent and warm water. Do not use any solvents.
