Name: Globus Goggles	Code: 41131	Safety Glasses
-----------------------------	--------------------	-----------------------

Description

Safety goggles with clear acetate lens, direct aeration holes; lining and foam padding guarantee a perfect seal and adherence to the face. Watertight thanks to the adjustable elasticated headband. Provide an excellent barrier against solid particles and splashing like water, acids and solvents.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 166. It is classified as PPE Cat.II.

Category II	Colours Transparent	Available Sizes Unica
Quantity/Carton 10	Important Information The goggles must be inspected frequently and replaced in case of worn out or damaged parts. Keep out from direct sunlight and abrasive substances.	Recommended for Wide range of applications: provide an excellent barrier against solid particles and splashing like water, acids and solvents.
Dexterity	EC Standards EN 166 CE Values:1B	Storage and cleaning Clean the lens with warm soapy water and a soft cloth. The frames can be disinfected with a neutral detergent.
