<b>Name: Argilla Goggles</b>	<b>Code: 41175</b>	<b>Safety Glasses</b>
------------------------------	--------------------	-----------------------

### Description

Watertight safety goggles thanks to the adjustable elasticated headband and inner lining ensuring a perfect fit to the face. Feature direct ventilation holes. Provide an excellent barrier against solid particles and splashing like water, acids and solvents.

Feature an ergonomic design and an extremely comfortable shape.

Clear acetate lens 2-1,2 1B: protects from UV radiation with possible colour distortion. Light transmission from 74,4% to 99,9%. Suitable for continuous use. Impact-resistant lens (6 mm diameter steel ball at a speed of 120 m/s).

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 166.

It is classified as PPE Cat. II.
