Name: Cromo Safety Glasses	Code: 41194	Safety Glasses
-----------------------------------	--------------------	-----------------------

Eyeglasses suitable for workers performing their tasks outdoors or driving motor vehicles.
Thanks to their modern design, they are perfectly suitable for leisure activities.

Mirror grey lens 1F: protects from the sunlight with no specific infrared protection. Light transmission from 17,8% to 29,1%. Suitable for continuous use.
Impact-resistant lens (6 mm diameter steel ball at a speed of 45 m/s).

The Dark Lens Series is specifically designed for environments with bright lighting, such as metal cutting or blast furnaces. The mirroring provides further protection from heat, Uv and infrared rays.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 166.
It is classified as PPE Cat. II.
