|--|--------------------|--|
| Name: Foldable Respirator FFP2 NR | Code: 45166 | Foldable Disposable Respirators |
|--|--------------------|--|

Disposable respirator individually wrapped. With exhalation valve.
Suitable for use in the presence of medium levels of dust pollution, up to 12 times the TLV.
Pack of 20 pieces.

- Individually wrapped in cellophane with sealed edges for maximum hygiene.
- Nose clip moulds around the nose for a perfect fit.
- Exhalation valve favours the flow of breathed air avoiding the risk of misting the eyewear.
- Foldflat conic structure, pocket-size and easy transportable.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 149.
It is classified as PPE Cat. III.

FFP2 NR
FFP2: Nominal Protection Factor: 12
Operational Protection Factor: 10
