TECHNICAL SHEET

Name: Disposable Half Mask Freedom P3

Code: 45554

Half Masks - Sperian Dräger

Description

The Freedom half-mask is made of polypropylene and it is a valuable alternative to half-masks with interchangeable filters. The filters are fixed rather than interchangeable, and thus once the filter ceases to perform its function, the half-mask has to be completely replaced; it does not need any maintenance. Hypoallergenic.
Suitable for protection against toxic dusts.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 149.
It is classified as PPE Cat. III.

Category III	Colours White	Available Sizes Unica
