Name: Dräger Full Face Mask FPS 7130	Code: 45980	Full-Face Masks - Dräger
---	--------------------	---------------------------------

Description

The new FPS 7130 full-face mask sets new standards in terms of safety and wearing comfort. Thanks to its newly designed ergonomics and the new polycarbonate visor, the worker using FPS 7130 will have no visual distortion and will enjoy an exceptional wide field of vision. The visor does not mist due to a well thought-out air circulation and is available with different coatings.

The mask body maintains the traditional structure:

- standard attachment for screw filters EN 148.
- mask body in EPDM or hypoallergenic silicon.
- double-layered face seal.
- polycarbonate visor.
- approx. 600 grams (varies according to the version).
- stainless steel speech diaphragm.
- available for helmet-mask combinations due to special attachments.
- integrated accessories: radio.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 136.

It is classified as PPE Cat. III.
