

<b>Name: Mobile Anchoring Device Kit</b>	<b>Code: 55387</b>	<b>Mobile and Permanent Fall Arrest Systems</b>
--	--------------------	---

### Description

Designed for easy installation and removal, the kit is equipped with the proper tensioner allowing for easy tensioning and mounting to any anchor point (from 2000 daN). The device is intended to be used by 2 people at once. Maximum deflection in the event of a fall: 2 metres (with 2 users).

The kit includes:

- a handy and resistant bag with buckling closure;
- a 35 mm wide polyester webbing carefully rolled up (maximum length 20 m);
- a ratchet tensioner;
- two anchorage webbing slings (1 m) with rings;
- two positioning ropes art. 553 82;
- two fall arrest harnesses art. 553 13.

Using the anchor on two fixed points to a maximum distance of 20 m, the device allows the normal working operations, connecting up to two workers equipped with safety harnesses, who freely slide along the webbing through a lanyard with karabiner.

Category <b>III</b>	Colours Blue	Available Sizes Unica
Quantity/Carton <b>1</b>	Important Information Read carefully the user sheet included. Make sure the item is in good condition, undamaged before use.
