|-----------------------------|--------------------|---------------------------------------|
| <b>Name: Zipka Headlamp</b> | <b>Code: 71129</b> | <b>Professional Headlamps - Petzl</b> |
|-----------------------------|--------------------|---------------------------------------|

### Description

Headlamp keeps hands free for work: with its ZIP retractable cord, it may be worn on the head, on the wrist, or mounted on different surfaces. Ultra-compact and ultra-light. Ideal lighting mode for all close-range work: wide, uniform beam.

The maximum power released is 80 lumen, with a range of 50 metres. The lamp has two lighting modes to adapt the quality of the light to the situation.

Water resistant.

Weight (with batteries): 70 g.

3-year guarantee.

Not certified ATEX HAZLOC.
