

## TECHNICAL SHEET

**Name: Gas Alert Extreme ETO**

**Code: 81567**

**Gas Detectors - BW**

### Description

Gas Alert Extreme ETO features:

- One sensor.
  - Full function self-test of sensor, battery status, circuit integrity and audio/visual alarms. It constantly shows the gas concentration on the display.
  - Low, high, TWA and STEL alarms with adjustable settings.
  - Acoustic (95dB), visual and vibrating alarm. Impact and water resistant casing. Also available in data logging version.
  - Compact 2.8 x 5.0 x 9.5 cm.
  - Lightweight 82 g.
- Gas detector: Ethylene Oxide.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 60079.  
It is classified as PPE Cat. III.
