Name: K-Plus Ultra Light Shoe	Code: 25028	Ultra Light Solution Series
--------------------------------------	--------------------	------------------------------------

Description

Low shoe with a seamless upper in nylon, featuring a reinforcement KPU overcap and protective inserts for an enhanced flexibility and protection against impact. It features a 200 joule composite toecap and Zero Penetration textile midsole. EVA midsole and outer sole in nitrile rubber with TPU anti-twist stabilizers.

Main features:

- Cutting-edge one-piece upper in abrasion and tear-resistant nylon, extremely breathable and comfortable
- Eva midsole, extremely flexible and comfortable, featuring a cushioning effect
- Outsole in nitrile rubber with TPU anti-twist stabilisers, providing excellent grip both on dry and wet flooring
- Sporty and catchy design

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN ISO 20345. It is classified as PPE Cat. II.
